Monarch Industrial Products (I) Pvt. Ltd.

(An ISO 9001 : 2000, ISO 14001 : 2004 & OHSAS 18001 : 1999 Certified Company)

Single Source - Total Solutions for Repair & Protection in
Mechanical, Civil, Electrical, Electronics - for Construction &
Maintenance Engineering

Buildings - Construction & Maintenance

WATER PROOFING

* Wide range of permanent water proofing system based on Crystallization, Elastomeric, Acrylic, Epoxy, Polyurethane & Food Grade Systems

* **Range :** Crystallization waterproofing, Acrylic Cementitious Waterproofing, Elastomeric Flexible Waterproofing, Polyurethane based Waterproofing, Epoxy based Waterproofing & Water Repellant Coatings

Support Products :

* **Range :** Crack Sealing/Patch Work/Grouting/Roof Sealing/
Sealants for expansion joints

Moisture Block, Floor Hardeners

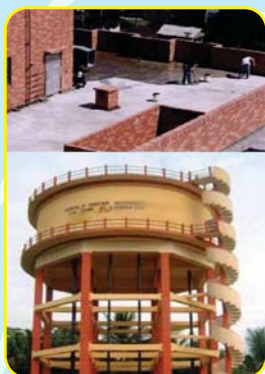

* **Applications:** Terrace, Basement, Underground Tank, Overhead Tank, Reservoir etc.,

* **Contact at - E-mail:** waterproofing@monarchindia.net, **Mobile:** 91- 9677721001

Pack Size : 20 Kgs

Pack Size : 20 Kgs

Pack Size : 25 Kgs

HEAT REFLECTIVE COATINGS

* Thermal insulation coating and reflects 98% of heat away from the substrate, reducing internal temperature of building upto 12°C

* Prevents evaporation loss caused by heat in petroleum products storage tanks.

* **Range :** Reflective, Insulation , Anti-radiation & Energy Saving

* **Applications:** Buildings, Steam Pipelines, Storage Tanks,
Cold Storage Facilities, Mobile & Modular Homes

* **Contact at - E-mail:** thermalbarriercoatings@monarchindia.net, **Mobile:** 91- 9677721001

Energy
Saving over 3%

Pack Size : 20 Kgs

SURFACE PROTECTIVE COATINGS

* Protection of surfaces exposed to atmospheric corrosion, sub-soil conditions, chemical attacks, saline environment, extremes of weather, oil/moisture/water/acid/alkali etc.

Primers

* **Range:** Rust Conversion Coatings & Epoxy based Primers

Protective Coatings

* **Range:** Solvent based Epoxy coating, 100% solids Epoxy coating, Aromatic Polyurethane Coating, Aliphatic Polyurethane Coating, Chemical Resistance Coating, FRP Mat Polyester Coating, Coal Tar Epoxy, Cold Galvanizing Coating, Rubber Coating, Fungus/Algae Resistant Coatings, Fluorescent Paints, Under Chassis Coatings, Marine Coatings & Anti-Fouling Coatings

Support products

* **Range:** EPI Diulent, Rust Klean & Cleaner/ Conditioner

* **Applications:** Pipelines, Tanks, Buildings, Structural & Other Technical Installations

* **Contact at - E-mail:** protectivecoatings@monarchindia.net, **Mobile:** 91- 9600992060

Pack Size: 20 Kgs

Pack Size: 5 Ltrs

HIGH TEMPERATURE COATINGS

* Protection of surfaces exposed to high temperatures till 810°C
* **Range:** Heatguard 210, Heatguard 410, Heatguard 610 & Heatguard 810 - available in Aluminium, Black, Dull White (for Sulphur Resistance), PO Red and in other colours

Pack Size: 4 ltrs

* **Applications:** Chimneys, Stack, DG Set, Heat Ovens, Boiler, Under Insulation Installations etc.,
* **Contact at - E-mail:** htcoatings@monarchindia.net, **Mobile:** 91- 9600992060

FLOOR SCREEDS & TOPPING

* Repair and protection of floor surfaces from chemical / oil spillage, dust and physical degradation due to compressive loads and abrasion in equipment traffic movement
* Provides decorative, cleaner, healthier, more pleasant place for working environment

Floor Screeds

Range : Floor Screed, Poly Screed, Oxy Screed, Conguard

Pack Size: 25 Kgs

Floor Toppings

Range : Polyurethane floor coatings, Epoxy floor coatings, Chemical resistant coatings, Anti Static

Floor Coatings

Pack Size: 60 Kgs

Support Products

Floor Hardener, Floorclean

Pack Size: 25 Kgs

Floor Marking Coatings, Epoxy Coving Compound, Tile Jointing Compound

Pack Size: 5 Kgs

Expanseal

Pack Size: 305 gms cartridge

* **Applications:** Production Floor, Ware House, Control Room, Garage, Workshop etc.,

* **Contact at - E-mail:** floorcoatings@monarchindia.net, **Mobile:** 91- 9600992066

ROAD MARKER

* Retro reflective cold applied road marking coating In Yellow, White & Black colours

* Traffic bearable in less than 15 minutes

* **Range:** Reflective type & Non Reflective type

Pack Size: 20 Ltrs containing 12.5 ltrs of Road Marker, 2.5 ltrs of Diluent & 5 ltrs of Glass Beads

* **Applications:** Highway road markings, Airport runway marking, Warehouse floor markings etc.,

* **Contact at - E-mail:** roadmarker@monarchindia.net, **Mobile:** 91 - 9600992044

Machinery & Equipments, Structurals & Utilities - Construction & Maintenance

METAL RECLAMATION PUTTIES & STICKS

* Restore, rebuild & repair of OLD, damaged / worn-out / scrapped machinery & equipments to its original shape and condition in less than 2 hrs & at repair cost much lower than replacement costs

* **Range:** Titanium Putty, Steel Putty, Ceramic Putty, Bronze Putty, Copper Putty, Stainless Steel Putty, Flex Putty, HT Alumina Putty, HT Ceramic Putty, Conductive Putty & Marine Putty

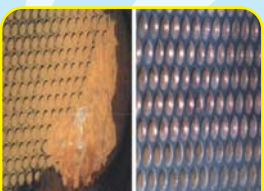

Pack Size: 1 Kg

* **Range:** Titanium Stick, Steel Stick, Bronze Stick, Aluminium Stick, Copper Stick, Wood Stick, Concrete Stick

Pack Size: 114 gms

* **Applications:** Pumps, Heat Exchangers, Compressors, Valves, ID Fans etc

* **Contact at - E-mail:** reclamation@monarchindia.net, **Mobile:** 91 - 9600992033

MAINTENANCE COATINGS

* Protection of NEW machinery, equipments & other technical installations subjected to chemical attacks, erosion, corrosion, abrasion & mechanical damage

* **Range:** Glass Flake Coating, Ceramic Coating, Rubber Coating, Under Water Coating, Insulation Coating, Non Stick Coating, Efficiency Improvement Coating & Saturating Resin Coatings to use with FRP mat, Granite Polishing Compound

Pack Size: 1 Kg

* **Applications:** Pumps, Heat Exchangers, Compressors, Valves, ID Fans etc.,

* **Contact at - E-mail:** maintenancecoatings@monarchindia.net, **Mobile:** 91 - 9600992033

Energy Saving over 5%

UNDER PRESSURE LEAK ARREST PUTTIES & STICKS

* Active leakages of oil, water, gas etc., are arrested in 3-5 minutes under pressure, without taking shutdown & draining, NO down-time

* **Range:** Express Titanium Putty, Under Water Putty,

* **Range:** Express Titanium Stick, Under Water Stick

* **Range:** Pipe Repair Kit (size 2" & 4")

* **Applications:** Transformers, Reactors, Tanks, Capacitors, Pipelines etc.,

* **Contact at - E-mail:** uplap@monarchindia.net, **Mobile:** 91 - 9600992069

Pack Size: 1 Kg

Pack Size: 114 gms

MAINTENANCE AEROSOL CANS & BULK PACKS

* Wide range of Industrial applications for Mechanical and Electrical maintenance engineering

* **Ranges:** Mechanical Maintenance - Mechanical Helper GP, Rust Inhibitor, Zinc Galva Coat, High Temp Coat, Peelable Coat, PTFE Spray, Gasket Remover, Cleaner/Degreaser MP, SK Cleaner, Rust Remover, Optical Fiber Cleaner, Copper Anti-seize, Moly Anti-seize, PTFE Anti-seize, Nickel Anti-seize, Chain lubricant, Rope lubricant, Pen Oil, Belt Grip, Mould Release Spray, Anti Spatter, Dust Off, DPI Kit consisting of Cleaner, Dye Penetrate & Developer

Electrical Maintenance - Electrical Helper GP, Battery Terminal Coat, Insulating Varnish, Acry Coat, Dry Graphite Spray, Electrical Helper AT, PUF Seal, Contact Cleaner, On-line Cleaner, Electronic Cleaner

Decorative Industrial Finish Coats - Touch-up Paint Spray, Fluorescent Paint Spray, Stainless Steel Finish Spray, Rich Gold Finish Spray, Copper Metal Finish Spray, Silver Metal Finish Spray, Brass Metal Finish Spray, Wood Varnish Finish Spray

* **Contact at - E-mail:** aerosolcans@monarchindia.net, **Mobile:** 91 - 9600992069

Aerosol Cans	Pack Size 500 ml
Bulk Packs	Pack Size: 5 Ltrs

HAND CARE

* **Hygeclean**

Specially formulated based on lanolin and continuous use provides safe cleaning to hands. Removes sticky oil, stains, carbon, grease, lubricants, cutting oils, coolant oils and engine oils etc.

* **Novadet**

A unique cream based on biodegradable organic inputs with the 2 in 1 advantage of hand cleanser with barrier system. The product forms an invisible barrier on application. Effectively protects skin from diesel, petrol, kerosene, industrial solvents and thinners, paints, varnishers, lubricants and oils

Pack Size: 1 Kg, 5 Kgs & 20 Kgs

* **Applications:** Assembly shops, Machine shops, Electro Plating shops, Painting shop, Jobs connected with Maintenance, Overhauling & Servicing.

* **Contact at - E-mail:** handcare@monarchindia.net, **Mobile:** 91 - 9600992069

FIRE RETARDANT COATINGS

* Protection of people and properties against fire hazards

* **Ranges:** Water based fire proof paints, synthetic based fire retardant paints, water based Intumescent Coatings

Pack Size: 1 Kg

* **Applications:** Electrical cables, Switch board, Junction box, Walls, Paper, Wooden furnitures etc.,

* **Contact at - E-mail:** frc@monarchindia.net, **Mobile:** 91 - 9600992069

CRUSHER BACKING COMPOUND

* Backing of wear liners in all makes and models of cone & gyratory crushers facilitating extreme heavy duty crushing

* OEM supplier to all major Indian and Imported crushers

* **Range:** HP Crusher Backing Compound

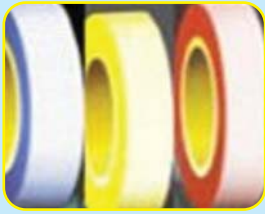

Range of Accessories:

Release Agent	114 gms
CBC Accelerator	50 ml
Locking compound	1 Kg

Pack Size: 8.5 Kgs, 10 Kgs, 25 Kgs

* **Application:** Cone Crushers & Gyratory Crushers.

* **Contact at - E-mail:** backingcompound@monarchindia.net, **Mobile:** 91 - 9600992044

SELF FUSING INSULATION TAPES

* Self amalgamating of bare HT wires in 24 hrs. Prevents transmission losses, short circuit, unplanned shutdown, fatal accidents & power thefts etc., with dielectric strength of 22 KV/mm

Pack Size: W - 40 mm X T - 1 mm X L - 5 mtr & W - 25 mm X T - 0.5 mm X L - 15 mtr

* **Application:** Overhead service connection, Jumper wires, Transformer connections etc.,

* **Contact at - E-mail:** sft@monarchindia.net, **Mobile:** 91 - 9600992044

FOUNDATION GROUTING

* Epoxy grouting of foundation bolts & base plates of new machinery & equipments against shocks and vibrations.

* Strengthening of bridges by low viscosity injection grouting.

Pack Size : 10 Kgs

* **Applications:** Pumps, Compressors, Generator, Crushers, Turbines etc.,

* **Contact at - E-mail:** grouting@monarchindia.net, **Mobile:** 91 - 9600992066

LUBRICANTS, GREASES & OILS

* Specialty lubricants for high pressure, extreme temperatures, high speeds and other extra ordinary stresses. Increase performance and service life of machinery by reducing friction & wear.

Pack Size : Wide range

* **Applications:** Valves, Bearings, Spindles, Joints, Shafts etc.,

* **Contact at - E-mail:** lubricants@monarchindia.net, **Mobile:** 91- 9600992066

Customer Benefits

- * Repair & Protection of buildings, machinery & equipments, structurals & utilities
- * Reclamation instead of replacement - at a lower cost
- * Rebuild scraps into valuable assets
- * In-place maintenance
- * Protective coatings for energy saving and efficiency improvement
- * Extended equipment life

- * Minimum downtime, Maximum protection
- * Indigenous products, more shelf life
- * More utility, low inventory cost
- * User friendly products, simple application procedures
- * Hundreds of applications for day-to-day routine maintenance and unplanned emergency maintenance
- * Backed by effective after-sales-service
